LIBRARY DISTRICT EBOOKS NOW AVAILABLE FOR KINDLE

Las Vegas, NV—The Las Vegas-Clark County Library District is excited to announce that its eBook collection is now compatible with the world's bestselling eBook reader, the Amazon® Kindle. Library cardholders can now download popular and classic eBooks to a Kindle device or any mobile device running the free Kindle app, such as iPhone®, iPad®, Android™, and more.

Kindle users can browse the Library's collection of bestselling and classic eBooks from a PC or Mac computer, check out titles using a library card, and select "Get for Kindle" to deliver eBooks to their Kindle device or any device running the free Kindle app. Users who enjoy eBooks on Kindle will benefit from Amazon's Whispersync technology that synchronizes notes, highlights and last page read between their Kindle and free Kindle apps.

The Library District also offers eBooks and audiobooks for use on a PC or Mac computer and popular mobile devices such as a Smartphone, MP3 player, and eBook reader like the Barnes & Noble® Nook™ and Sony® Reader.

To get started, visit the eMedia catalog on the Library's web site at www.lvccld.org.
